

DO YOU HAVE OLD CELL PHONES LYING AROUND GATHERING DUST?

BRASS, Inc. invites you to **GO GREEN!** We make it easy to dispose of all your unused cell phones in an environmentally friendly way. All you do is drop off your phone(s) at one of the drop-off sites listed below, and we'll do the rest. **All donated cell phones are recycled.** To receive an in-kind form to use for tax deduction purposes, please attach your name, number and address to your donated phone(s) and we will mail the completed form to you. For more information call us at:
